

Relación de especies Jornadas Micológicas de Busto 2010

Agaricus bresadolianus
Agaricus cupreo-brunneus
Agaricus silvaticus
Agaricus silvícola
Agaricus spisicaulis
Agrocybe aegerita
Aleuria aurantia
Amanita citrina
Amanita citrina var. alba
Amanita muscaria
Amanita muscaria var. formosa
Amanita phalloides
Amanita rubescens
Armillaria mellea
Astraeus hygrometricus
Baespora myosura
Bisporella citrina
Boletus edulis
Bolbitius vitellinus
Bovista plumbea
Calocera cornea
Calocera viscosa
Calvatia utriformis
Cantharellus lutescens
Clitocybe cerussata
Clitocybe fragrans
Clitocybe geotropa
Clitocybe inversa
Clitocybe odora
Collybia brassicolens
Collybia butyracea
Collybia maculata
Collybia peronata
Coprinus comatus
Coprinus micaceus
Cortinarius anomalus
Cortinarius aurilicis
Cortinarius caligatus
Cortinarius calochrous
Cortinarius cedretorum
Cortinarius cotoneus
Cortinarius croceus
Cortinarius duracinus
Cortinarius infractus
Cortinarius mucosus
Cortinarius percomis
Cortinarius rapaceus
Cortinarius trivialis
Cortinarius violaceus

Cystoderma amianthinum
Entoloma hirtipes
Ganoderma lucidum
Geastrum rufescens
Gomphidius rutilus
Gumnopilus penetrans
Gyromitra infula
Hebeloma edurum
Hebeloma sinapizans
Hemipholiota albocrenulata
Hohenbuehelia geogenia
Hydnum repandum
Hydnum rufescens
Hygrocybe nigrescens
Hygrocybe persistens
Hygrocybe virginea f. roseipes
Hygrophoropsis aurantiaca
Hygrophorus agathosmus
Hygrophorus arbustibus
Hygrophorus cossus
Hygrophorus dichrous
Hygrophorus gliocyclus
Hygrophorus hypothejus
Hygrophorus limacinus
Hygrophorus russula
Hypholoma fasciculare
Inocybe geophylla
Laccaria laccata
Lactarius blennius
Lactarius chrysorrheus
Lactarius controversus
Lactarius deliciosus
Lactarius mitissimus
Lactarius pallidus
Lactarius quietus
Lactarius sanguifluus
Lactarius serifluus
Lactarius uvidus
Lactarius vellereus
Leccinum lepidum
Leccinum scabrum
Lepiota castanea
Lepista nebularis
Lepista nuda
Lepista sordida
Leucopaxillus paradoxus
Lycoperdon perlatum
Lyophyllum amariuscum
Lyophyllum loricatum
Macrocistidia cucumis

Macrolepiota mastoidea
Marasmius oreades
Melanoleuca vulgaris
Mycena epipterygia
Mycena galericulata
Mycena pura
Otidea onotica
Otidea umbrina
Oudemansiella mucida
Panaeolus sphintrinus
Panellus mitis
Paxillus involutus
Paxillus panuoides
Pleurotus eryngii
Pluteus cervinus
Polyporus badius
Psathyrella multipedata
Ramaria flava
Ramaria gracilis
Russula acrifolia
Russula delica
Russula fellea
Russula integra
Russula sanguinea
Russula sardonia
Russula sororia
Russula torulosa
Russula xerampelina
Scleroderma meridionale
Scleroderma verrucosum
Sowerbyella imperiales
Stropharia aeruginosa
Stropharia caerulea
Stropharia coronilla
Stropharia semiglobata
Suillus bellini
Suillus bovinus
Suillus luteus
Suillus variegatus
Thelephora terrestris
Tricholoma albobrunneum
Tricholoma auratum
Tricholoma equestre
Tricholoma focale
Tricholoma fracticum
Tricholoma imbricatum
Tricholoma lascivum
Tricholoma populinum
Tricholoma portentosum
Tricholoma saponaceum

Tricholoma scalturatum
Tricholoma sciodes
Tricholoma sejunctum
Tricholoma squarrulosum
Tricholoma sulphureum
Tricholoma terreum
Tricholomopsis rutilans
Vascellum pratense
Volvariella speciosa
